

Mission Statement of Adult Spiritual Growth

To facilitate spiritual growth, to strengthen our commitment to follow the teachings of Jesus Christ, and to develop a deeper relationship with God. To accomplish this by offering learning opportunities, experiences of spiritual development, providing personal connection within a faith community for support and guidance, and equipping disciples to change the world.

Our Philosophy of Ministry...

Growth

Provide opportunities to explore faith and cultivate a personal relationship with God. Deepen the knowledge and understanding of God's scripture through various venues including small group studies, retreats, book studies, workshops, seminars and prayer groups.

Integration

Be transformed by the way of life taught by Jesus Christ: to love God and love others. Apply spiritual convictions and principles that are adopted and lived out. Discover God-given talents and abilities in order to express them through ministry and service to others.

Community

Build affirming and encouraging relationships between individuals and within small groups. Create supportive environment for those in life-challenging situations. Share with one another all that we have learned as spiritual beings, as followers of Christ, and in our relationship with God.
