# Wesley Ringers

**Sundays, 4:00 – 5:30 pm**  
**In the Choir Room**

This group is currently comprised of 6- 12<sup>th</sup> graders, and is essentially for students who have experience with either chimes or bells and have mastered various ringing techniques and ensemble playing. This group meets on Sundays from 4:00-5:30 and rings regularly at the 10:30 traditional worship service and participates in an annual Bell Festival (or two). There are some social components, like watching other bell groups perform and food/fellowship every week....like.....a full dinner! Students can join Wesley Ringers at any time during the year, but are asked to make a commitment to attend all rehearsal (barring illness) so that the group can learn to play music together effectively. We have cool matching shirts and tie-dye gloves!
