

Medical Supplies for Uganda

Medical supplies to help the men, women, and children of Uganda:

*Multivitamins (adult, child, prenatal, infant)

Please No Gummy Vitamins ~ They Melt!

*Ibuprofen (Advil)

*Acetaminophen (Tylenol)

*Aspirin

Eye drops (Visine)

Iron tablets

Pedialyte Powder Packs

Stool Softener and Laxative tablets

Benadryl tablets

Pepcid (or similar)

Antifungal/Anti-Inflammatory Skin Cream

Some of the most useful medications we will use must be purchased in Uganda (Anti-malarial; anti-parasitic), so monetary donations are welcome and most appreciated. Checks may be made payable to SUMC with "Uganda Medical" noted in the memo.

**Please Only New, Unopened/Unused Medications
that are Not Expired/Expiring within 6 months can be accepted**
