The image shows a classroom setting. A woman in a black tank top and red shorts is standing on a desk, interacting with a group of young students in yellow shirts. A man in a white shirt is also standing near the front, and another man in a white robe is standing to the right. A chalkboard with math problems is visible in the background.

The People We Met

Thank you to everyone who came out to dance at GLO-FEST, eat Ice Cream at the Social, donated their time & energy at Days for Girls workshops, purchased medical supplies or donated money, wrote us letters from home, and gave us their prayers for a safe journey. None would have been possible without you.
