- Recruit SUMC VIM volunteers for future trips
- Maintain an SUMC VIM budget, reporting contributions and donations and disbursements in a responsible and communicative manner
- Develop a local disaster Response Plan in preparation for natural or man-made disasters in the local Farmington Valley or Greater Hartford area
- Communicate with NYAC Missions representatives regarding what role our team might play in a regional UMVIM Disaster Response Plans; and
- Maintain communication with past VIMers regarding periodic meetings, opportunities for service, etc.
